

New Design – thinner 18 gauge cut level F, close to 21 gauge, perfect combination of protection, dexterity and comfort.

KEY FEATURES

- New designed cut level F glove which is thinner than normal 18 gauge ones and close to 21 gauge. Highest level cut protection ensures a safe work.
- Super dexterity, fitting and flexibility makes it ideal for both general works and precision works.
- Premium quality technical yarns contribute to great comfort, softness, and a smooth feeling.
- Thanks to high quality sandy nitrile coating, it offers great grip performance, oil resistance and durability.
- The reinforcement in the crotch greatly extends glove life to save your cost and provides extra protection in the weakest area.
- Touch screen functionality.
